

2014 Maryland Parent Survey: UPDATE

Last chance to help us get family
input!

We need your help to reach families of CYSHCN that you serve and who live in your communities! We use this data to prioritize OPGSHCN and PPMD programs as well as funding for services; our partners use this data to leverage funding and partnerships; all to better serve our kids and families!

ONE WEEK LEFT!

Survey Developed by OGP SHCN and PPMD in partnership with ...

ATTENTION PARENTS

LET YOUR VOICES BE HEARD!

*Help Improve Services For Children and Youth
With Special Health Care Needs*

Participate in the 2014 Maryland Parent Survey!

The Parents' Place of Maryland and Maryland's Department of Health and Mental Hygiene (DHMH) Office for Genetics and People with Special Health Care Needs (OGPSHCN) are conducting this survey to find out about your child's health care needs.

Why should I take the 2014 Maryland Parent Survey?

To ensure that parents/caregivers of children with special needs have access to support services, especially as it relates to health. This includes children with conditions like asthma, sickle cell disease, autism, attention deficit disorder, depression, allergies, and many others. Your input is critical to improving health and services for children and youth in your community.

This survey is available both in paper and online.

Who should fill out the survey?

Parents and caregivers of children with special needs (ages birth–21 years). You will not need to give your name or any personal information.

How do I take the survey?

Go to: <https://www.surveymonkey.com/s/MDCYSHCN> or use the QR code. For a paper copy of the survey or for more information, please contact Josie Thomas at the Parents' Place of Maryland at 410-768-9100 or e-mail josie@ppmd.org

Thank you for your help!

¡ATENCIÓN PADRES!

¡HAGA ESCUCHAR SU VOZ!

*Ayude a Mejorar los Servicios Para Niños y Jóvenes
Con Necesidades Especiales de Salud*

¡Participe en la Encuesta 2014 Para Padres de Maryland!

The Parents' Place of Maryland and la Oficina de Genética y Personas con Necesidades Especiales de Salud (OGPSHCN por sus siglas en inglés) del Departamento de Salud e Higiene Mental de Maryland (DHMH por sus siglas en inglés) están llevando a cabo esta encuesta para saber más sobre las necesidades de salud de su hijo/a.

¿Porqué debería tomar la Encuesta 2014 Para Padres de Maryland?

Para asegurar que los padres y aquellos a cargo de niños con necesidades especiales tengan acceso a servicios de apoyo, especialmente si se relacionan a la salud. Esto incluye niños con condiciones como asma, enfermedad de células falciformes, autismo, desorden de déficit de atención, depresión, alergias, y muchos otros. Su información es crucial para mejorar los servicios de niños y jóvenes en su comunidad.

Esta encuesta esta disponible en papel y en línea

¿Quién debe llenar la encuesta?

Padres y aquellos a cargo de niños con necesidades especiales (desde recién nacido hasta 21 años de edad). No necesitará dar su nombre o ninguna información personal.

¿Cómo puede tomar la encuesta?

Visite: https://es.surveymonkey.com/s/MDCYSHCN_SP o use el código de "QR". Para una copia de la encuesta en papel o para más información, por favor contacte a Josie Thomas en The Parents' Place of Maryland al 410-768-9100 o por correo electrónico a josie@ppmd.org

¡Gracias por su ayuda!
